IN HIGHER EDUCATION

Annual ICfAD Program Advertising Opportunity

The International Council for Arts Deans (ICfAD) is a professional organization through which members share information and ideas that enhance the leadership of Deans and Associate Deans, Provosts and Associate Provosts, University Presidents, and other Arts Executives in Higher Education. Founded in 1964, the organization proudly serves members around the globe.

The collective buying power of the Arts Executives who compose the ICfAD membership is substantial. These leaders are responsible for specifying products and services and directing billions of dollars to a multitude of arts- and design-related products, services, and facilities. Our members represent the leading institutions of higher education for the visual, performing, and media arts.
